# An International Affair

The International Program has been an intricate part of student life for years at St. Michael's. Every year students from around the globe travel thousands of miles to take part in the American experience. "Thousands of miles?", we said. And what is it that attracts the 108 students from over 30 countries? Small community college, Burlington and even Ben and Jerry's? We searched high and low and received as many different answers as there were students. Our conclusion-We are all here for the same purpose . . . to experience our own part of the "Knight Life!!"

It took a little persuading, but on one cold, snowy day in February, about 25 daring CIP students took advantage of the "learn to ski" program at Sugarbush and ventured out into the white world of snow for a Sunday afternoon skiing. What were the qualifications needed? NOTHING! For a mere \$10, anyone could get complete rentals, beginner's pass, and a day-long lesson. It was a deal no one could pass up. For most, it was a first time experience, something else to add to the list of "Crazy Things Vermonters Call Fun!!!"

MOVE stands for Mobilization Of Volunteer Efforts. We're a service organization dedicated to two primary goals:

1. Developing awareness of global needs for service to people in need, and subsequently creating and implementing programs that meet local needs directly and effectively.

2. Forging relationships that bring together volunteers and those in need of equals, thereby eliminating the stereotypes of abstract categories such as "homeless," "illiterate," "youth-at-risk", "refugee."

MOVE is a broad-based community service organization of the Office of Campus Ministry at Saint Michael's College. It strives to instill in each member of the community a sense of service to others. We hope to channel the talents, creativity and energy of the Saint Michael's community into service programs that will enrich both Chittenden County and the global world.

The Student Admission Association is an organization designed to increase student awareness of and participation in the admission process. Our members, which number over 100, have the opportunity to introduce prospective students and their families to "life" at St. Michael's College through daily tours of the campus, letter writing and phonatons. Our members are also active participants in programs sponsored by the Admission office such as Open House, Over-Night Visits and Mini-Visitation Days.

# Alliot Governing Board

Colleen Condon

Alliot Governing Board started out in the footsteps of tradition with weekly study snacks. However, as the year progressed new vendors and the grand reopening of the Rat brought much excitement to Alliot. Festive decorations brightened the halls of Alliot during the holiday season and for other special events. It was a great year, as we accomplished our goals and aspirations for the Alliot Student Center.

Saint Michael's Fire & Rescue Department is an all volunteer student-run organization. In its 24th year, the department has provided Advanced Life Support emergency medical care to the residents of Winooski, Williston, St. George, Hinesburg, parts of Colchester and I-89. The Fire Department provides fire protection to the towns of Colchester, Winooski and Essex. To aid them in the endeavors this year, Fire and Rescue added to their fleet a 1993 Road Rescue Ambulance and a 1974 Ward Lafrance pumper. Together, the Department responded to over 1400 calls this past year.

# In Loving Memory Of Eric Kosalka

Remember Me

To the living,  
I am gone.  
To the sorrowful,  
I will never return.  
To the angry,  
I was cheated.

But to the happy,  
I am at peace.  
And to the faithful,  
I have never left.

I cannot speak  
But I can listen.  
I cannot be seen,  
But I can be heard.

So as you stand upon a shore,  
Gazing at a beautiful sea-  
Remember me.

Remember me in your heart.  
Your thoughts,  
And your memories  
Of the times we loved,  
The times we cried,  
The times we fought,  
The times we laughed.

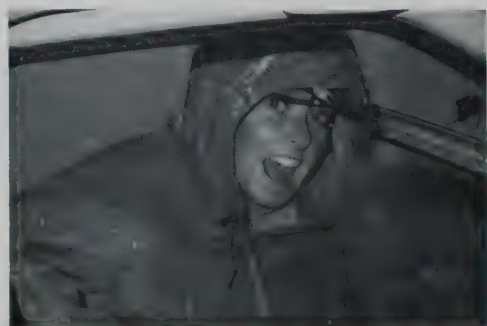

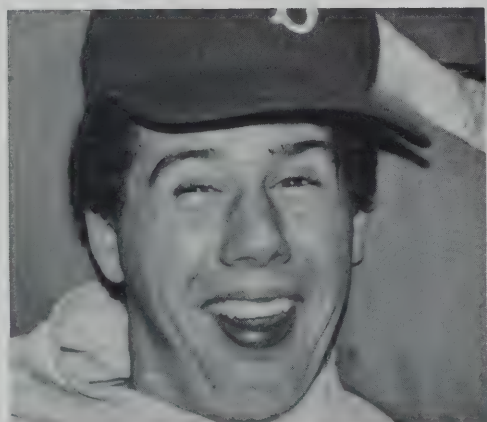

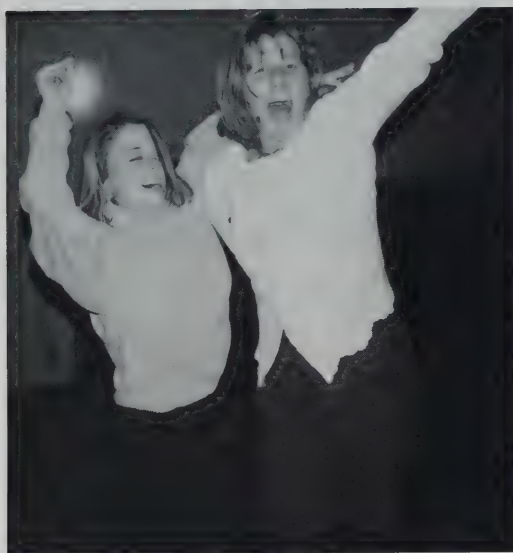

For if you always think of me,  
I will never be gone.

# Hilltop Dedication 1994

"I'm going to listen to my inner voice to decide what comes next for me." These are the words that John Hanagan used to describe his decision for leaving his position as the chair of the philosophy department after 27 years at Saint Michael's College. Hanagan was known as "a legend in the classroom." He was able to challenge his students in their ways of thinking and looking at the world with a new outlook.

Hanagan has received numerous faculty appreciation awards and was recognized by the yearbook staff in 1975. In 1992, on the 25th anniversary of his teaching John Hanagan received the Ad Multos Annos Award and was called "the example of a teacher, scholar, friend and contributor that one would strive to be."

This year the Class of 1994 is honored to dedicate the Hilltop to Professor John Hanagan.

To our dearest Laura and

Ray Zamagni

Class of 1994

The family "Z" salutes you! Four relentless years of hard labor at one of the most prestigious academic institutions in northern New England is a horrendous task to cast upon a fun loving and frolic seeking Braintree Wamp.

Our Z-Man being committed to excellence, on day one of year one witnessed with ultra astonishment and pure delight a truly marvelous gathering of pretty young lass on the campus of St. Mike's.

Z-Man with empowered wisdom set into motion a finely tuned plan to develop endearing personal social skills for distinct and discrete opportunities to socialize in mixed gatherings at this fine institution.

Let the record show that Z-Man studied as long and hard as any man could study! However, in fairness to all it must be noted that our Z-Man also found moments to visit Montreal, Vail, Humarock, Bermuda, and St. Martin. Spent time at Okemo, enjoyed the company of pretty young lass, visited the Blarney Stone, Rasputin, What Ales You, East Street, more pretty young lass, a little Sugarbush and Stowe, a lot of basketball, more pretty young lass, some golf, a short of bartending, young lass, Bolton Valley, all the Townhouses, all the Dorms, more young lass and last but not least Amstel Lite on Parents Weekend!!!

Z-Man you reminisce with your kids about how rough and tough it really was back in 94...I suggest you tear this page out of the book.

Congratulations.....Dad

Amy,

This picture, our favorite of you during your semester in Africa, personifies your love and compassion, especially for the young and the elderly.

Your presence in our family, as the youngest of our little women, has reshaped our hearts. Your warm spirit permeates all that you do. We are so proud of you!

With love, Mom, Dad, Kelli, Kris & Traci

Melissa,  
For 21 years you've

upon your fields and,  
until we meet again,  
May God hold you in  
the palm of his hand.
